the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION  
(the "State") and the CITY OF GOODYEAR, acting by and through its MAYOR and CITY  
COUNCIL (the "City").

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

=====

NO. 24081  
Filed with the Secretary of State  
Date Filed: 06/30/00

Debra Bayless  
Secretary of State

Vicky V. Haernewood

## II. SCOPE

### 1. The State will:

a. On a "self-service" basis provide fuel to the City vehicles at DOT facilities statewide.

b. No more often than monthly, invoice the City with an itemized statement for fuel dispensed at the prevailing dispenser price plus five cents per gallon.

### 2. The City will:

a. Provide the State a list of authorized motor vehicles (by vehicle license number, type and fuel type) and operators, who shall observe all State rules, regulations and safety procedures while entering, refueling and leaving State fueling facilities.

b. Establish an account through the statewide fleet card contract administered by the State Procurement Office (currently 01676AA), and, when applicable, utilize State fleet cards at State automated fuel sites. Insure State fleet cards issued to City drivers contain encoded requirements necessary to interface with automated State fuel locations.

c. Insure operators complete an ADOT "Fuel Withdrawal Card" (ADOT Form 23-9315) each time fuel is purchased or comply with established procedures when DOT locations have automated card readers in place.

d. For CNG-equipped vehicles, insure compatibility of vehicle fuel nozzle receptacles with State fuel dispenser nozzles, obtaining adapters if necessary. Safeguard CNG fueling facility access codes and keys. Notify the State within 24 hours of lost access keys and be responsible for replacement costs at \$5.00 each. Return keys to the DOT as vehicles are removed from the City CNG program.

e. Reimburse the State for the previous month's invoice for fuel within 30 days after receipt. Coordinate as needed with the State and be responsible for all costs associated with accidents or damages caused by City vehicles to State property.

## III. MISCELLANEOUS PROVISIONS

3. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.
